Thank you for your support of Friendship Gardens. We truly could not sustain our mission without you! This agreement outlines your role as a Garden Leader within this program. Please sign a copy for our records and keep a copy for yourself.

- 1) As Garden Leader, I will oversee the management and maintenance of the garden. I will visit the garden at least weekly, depending on the season, and will communicate with a representative from Friendship Gardens at least once each growing season to discuss our successes and challenges.
- 2) I will lead other volunteers who work in the garden to grow produce for Friendship Trays. I will track new and returning volunteers, along with total hours. I will log the hours on the Friendship Gardens website on the first of each month, even when there are no volunteer workdays.
- 3) I will work with Friendship Gardens and Friendship Trays to ensure *harvested food is delivered directly from the garden to the Friendship Trays kitchen*. Food will be delivered and checked in by myself or one of my volunteers during normal working hours (Monday – Friday between 8am and 4pm) or another designated time (check website for seasonal updates).
- 4) I will commit to my own growth and development as a garden leader by investing in the Friendship Gardens community. This might include attending gardening workshops, networking with other garden leaders at volunteer appreciation events and garden parties, and/or improving garden management.
- 5) I will share the vision of growing and eating locally with anyone who might like to join our cause!
